

## Memorandum of Understanding between Manasoft and ITASSCO

**Jun 12, 2008**

Manasoft, a leading Jordanian software developer, has signed a Memorandum of Understanding (MOU) with The International Technical Advisory Services & Solutions (ITASSCO) located in (Al Beereh Palestine) on Thursday 05/06/2008. This MOU entitles (ITASSCO) to represent Manasoft in marketing and distribution of its products throughout Palestine while receiving the needed support in developing new and customized solutions from Manasoft especially within the capital market sector in Palestine.

It is worth mentioning that Manasoft, with its headquarters located in Amman Jordan, has more than 20 specialised products already in use by its clients since 1986. The Company's gulf regional office is located in Dubai and it has several branches throughout the Middle East, the Gulf Cooperation Council and North Africa. This agreement comes as an initial step from both companies towards providing high-end solutions needed for the Palestinian market.
